The Complaints Process

Aylestone Health Centre

Talk to us

Every patient has the right to make a complaint about the treatment or care they have received at Aylestone Health Centre.

We understand that we may not always get everything right and, by telling us about the problem you have encountered, we will be able to improve our services and patient experience.

Who to talk to

Most complaints can be resolved at a local level. Please speak to a member of staff if you have a concern and they will assist you where possible. Alternatively, ask to speak to the Practice Manager who acts as the Complaints Manager, but please note this may need to be a booked appointment.

If for any reason you do not want to speak to a member of our staff, then you can request that the Integrated Care Board (ICB) investigates your complaint. They will contact us on your behalf:
